NOTICE OF LOCATION & DESIGN PUBLIC HEARING

Job No. CA0602 “30 Crossing” I-530 – Hwy. 67 (Widening & Reconst.) (I-30 & I-40) Pulaski County

The Arkansas Department of Transportation (ARDOT), in cooperation with the Federal Highway Administration (FHWA) and U.S. Army Corps of Engineers (USACE), will conduct an open forum Location and Design Public Hearing to present and discuss the Environmental Assessment and proposed design plans. This project proposes to improve Interstate 30 from Interstate 530 and Interstate 440 to Interstate 40; including the Arkansas River Bridge, and a portion of I-40 from Highway 365 (MacArthur Drive) to Highway 67/167 including associated interchanges. The Location and Design Public Hearing will be held on Thursday, July 12, 2018, from 4:00 p.m. to 7:00 p.m., at the Wyndham Riverfront (Silver City Rooms), located at 2 Riverfront Place in North Little Rock.

The public hearing will present the proposed preferred alternative, the 6-Lane with Collector/Distributor (C/D) Lanes with Split Diamond Interchange (SDI) at the Highway 10 interchange.

The open forum format allows citizens the opportunity to view the Environmental Assessment and proposed location and design plans, and discuss the project with representatives of ARDOT, FHWA, and the USACE. Information on the right of way appraisal and acquisition procedures will be available. Appendix H of the Environmental Assessment will include De Minimus Section 4(f) Evaluations of potential impacts to the recreational values of the Clinton Center and Park, Riverfront Park, and North Shore Riverwalk Park. Potential impacts, as well as protective actions that will be used to minimize impacts at these parks, are also included. Interested citizens are encouraged to view these documents and submit comments.

The EA and the proposed preliminary design are also available for public inspection at the ARDOT Central Office Headquarters (Alternative Delivery Conference Room), located at 10324 Interstate 30 (Exit 130) in Little Rock; and at the Garver Headquarters, located at 4701 Northshore Drive in North Little Rock. The EA can also be viewed at the Central Arkansas Library, located at 100 South Rock Street in Little Rock; and at the Laman Library, located at 2801 Orange Street in North Little Rock. Information is also available on the ARDOT website (ARDOT.gov), the 30 Crossing website (30Crossing.com), or by contacting the Connecting Arkansas Program at 501-255-1519.

Persons wishing to submit written statements or other exhibits may submit them online at 30Crossing.com, send by mail to ARDOT 30 Crossing Public Hearing, Attn: Jon Hetzel, 4701 Northshore Drive, North Little Rock, AR 72118, or send by email at Info@30Crossing.com. Such submissions must be received no later than 4:30 p.m. on Friday, July 27, 2018.

Anyone needing project information or special accommodations under the *Americans with Disabilities Act* (ADA) is encouraged to write to the ARDOT Connecting Arkansas Program, Attn: Jon Hetzel, 4701 Northshore Drive, North Little Rock, AR 72118, call (501) 255-1519, fax (501) 372-8042, or email Info@30Crossing.com. Hearing or speech impaired persons may contact the Arkansas Relay System at (Voice/TTY 711). Requests should be made at least four (4) days prior to the public hearing.

NOTICE OF NONDISCRIMINATION: The Arkansas Department of Transportation (Department) complies with all civil rights provisions of federal statutes and related authorities that prohibit discrimination in programs and activities receiving federal financial assistance. Therefore, the Department does not discriminate on the basis of race, sex, color, age, national origin, religion (not applicable as a protected group under the Federal Motor Carrier Safety Administration Title VI Program), disability, Limited English Proficiency (LEP), or low-income status in the admission, access to and treatment in the Department's programs and activities, as well as the Department's hiring or employment practices. Complaints of alleged discrimination and inquiries regarding the Department's nondiscrimination policies may be directed to Joanna P. McFadden Section Head - EEO/DBE (ADA/504/Title VI Coordinator), P. O. Box 2261, Little Rock, AR 72203, (501)569-2298, (Voice/TTY 711), or the following email address: Joanna.Mcfadden@ardot.gov

Free language assistance for Limited English Proficient individuals is available upon request.

HAMPTON — O'Neal (Neal) Stevens, 83, of Hampton went to be with the Lord, Thursday, June 1, 2018. He was born to Oscar Stevens and Leola Smith Stevens, February 22, 1935, in Manila, Arkansas. He was preceded in death by his father; mother; one brother, Phillip Conway; two sisters, Shelby and Sandra. He is survived by his wife of almost 62 years, Gleenda Glover Stevens; one son, Michael Stevens; one daughter, Pamela Carter and one granddaughter, Amie Counts.

Neal enlisted in the U.S. Army in 1953 and retired from the Army in 1975. During his years of service, he served three tours of duty in Vietnam. He surrendered to preach the gospel about midway of his Army career and preached wherever he was stationed in many small churches. After he retired, he went to Florida Baptist Bible Institute and served his first church as pastor, in Daleville, Alabama. Later he served in four different small churches in Arkansas. He served with the Arkansas Baptist and Pulaski Baptist Association starting churches in mobile home parks. Then he began working with the Home Mission Board (now the North American Mission Board) of the Southern Baptist Convention; one year in Arkansas and four years in Indiana, and over much of the United States doing the same work. He retired from the Home Mission Board in 1997 and soon became the Veterans Service Officer for Calhoun County, Ark., and served for 11+ years. He had a long and productive life and loved it all.

Visitation will be held at First Baptist Church, Hampton, Tuesday, June 26, from 6-8 p.m. Graveside service will be Wednesday, June 27 at 1 p.m. at the Arkansas State Veteran's Cemetery, 1501 West Maryland Ave. North Little Rock, Ark. Funeral arrangements are by Roller-Drummond Funeral Home,

Simms; siblings, Tommy Wilburn and Catherine Wilburn. Services entrusted Gunn Funeral Home, 4323 West 29th Street, Little Rock, Ark. 72204.

SUBJECT: Notice of I-30 and I-40 Public Hearing in North Little Rock – Thursday, July 12, 2018
30 Crossing Project (ARDOT Job No. CA0602)
I-530 – Hwy.67 (Widening & Reconst.) (I-30 & I-40)
Pulaski County

Greetings:

The Arkansas Department of Transportation (ARDOT), in cooperation with the Federal Highway Administration (FHWA) and U.S. Army Corps of Engineers (USACE), will conduct an open forum Location and Design Public Hearing to present and discuss the Environmental Assessment (EA) and proposed design plans. This project proposes to improve Interstate 30 from Interstate 530 and Interstate 440 to Interstate 40; including the Arkansas River Bridge, and a portion of I-40 from Highway 365 (MacArthur Drive) to Highway 67/167 including associated interchanges.

The public hearing will present the proposed preferred alternative, the 6-Lane with Collector/Distributor (C/D) Lanes with Split Diamond Interchange (SDI) at the Highway 10 interchange.

The Location and Design Public Hearing will be held on Thursday, July 12, 2018, from 4:00 p.m. to 7:00 p.m., at the Wyndham Riverfront (Silver City Rooms), located at 2 Riverfront Place in North Little Rock. This will be an "open house" hearing with no formal presentations. The public is invited to visit anytime during the scheduled hours to view exhibits, ask questions, and offer comments.

Meeting information, the EA, and the proposed preliminary design are available on the ARDOT website (ARDOT.gov) and the 30 Crossing website (30Crossing.com). Printed versions of the EA are also available for public inspection at locations in Little Rock and North Little Rock. Please reference the legal ad posted on the department's websites for additional information.

You are invited and encouraged to attend this hearing and offer your views concerning the project. Any publicity you might give this meeting is appreciated. If you have any questions, please contact:

SUBJECT: Notice of I-30 and I-40 Public Hearing in North Little Rock – Thursday, July 12, 2018
30 Crossing Project (ARDOT Job No. CA0602)
I-530 – Hwy.67 (Widening & Reconst.) (I-30 & I-40)
Pulaski County

Greetings:

The Arkansas Department of Transportation (ARDOT), in cooperation with the Federal Highway Administration (FHWA) and U.S. Army Corps of Engineers (USACE), will conduct an open forum Location and Design Public Hearing to present and discuss the Environmental Assessment (EA) and proposed design plans. This project proposes to improve Interstate 30 from Interstate 530 and Interstate 440 to Interstate 40; including the Arkansas River Bridge, and a portion of I-40 from Highway 365 (MacArthur Drive) to Highway 67/167 including associated interchanges.

The public hearing will present the proposed preferred alternative, the 6-Lane with Collector/Distributor (C/D) Lanes with Split Diamond Interchange (SDI) at the Highway 10 interchange.

The Location and Design Public Hearing will be held on Thursday, July 12, 2018, from 4:00 p.m. to 7:00 p.m., at the Wyndham Riverfront (Silver City Rooms), located at 2 Riverfront Place in North Little Rock. This will be an “open house” hearing with no formal presentations. The public is invited to visit anytime during the scheduled hours to view exhibits, ask questions, and offer comments.

Meeting information, the EA, and the proposed preliminary design are available on the ARDOT website (ARDOT.gov) and the 30 Crossing website (30Crossing.com). Printed versions of the EA are also available for public inspection at locations in Little Rock and North Little Rock. Please reference the legal ad posted on the department’s websites for additional information.

You are invited and encouraged to attend this hearing and offer your views concerning the project. Any publicity you might give this meeting is appreciated. If you have any questions, please contact:

SUBJECT: Notice of I-30 and I-40 Public Hearing in North Little Rock – Thursday, July 12, 2018
30 Crossing Project (ARDOT Job No. CA0602)
I-530 – Hwy.67 (Widening & Reconst.) (I-30 & I-40)
Pulaski County

Greetings:

The Arkansas Department of Transportation (ARDOT), in cooperation with the Federal Highway Administration (FHWA) and U.S. Army Corps of Engineers (USACE), will conduct an open forum Location and Design Public Hearing to present and discuss the Environmental Assessment (EA) and proposed design plans. This project proposes to improve Interstate 30 from Interstate 530 and Interstate 440 to Interstate 40; including the Arkansas River Bridge, and a portion of I-40 from Highway 365 (MacArthur Drive) to Highway 67/167 including associated interchanges.

The public hearing will present the proposed preferred alternative, the 6-Lane with Collector/Distributor (C/D) Lanes with Split Diamond Interchange (SDI) at the Highway 10 interchange.

The Location and Design Public Hearing will be held on Thursday, July 12, 2018, from 4:00 p.m. to 7:00 p.m., at the Wyndham Riverfront (Silver City Rooms), located at 2 Riverfront Place in North Little Rock. This will be an “open house” hearing with no formal presentations. The public is invited to visit anytime during the scheduled hours to view exhibits, ask questions, and offer comments.

Meeting information, the EA, and the proposed preliminary design are available on the ARDOT website (ARDOT.gov) and the 30 Crossing website (30Crossing.com). Printed versions of the EA are also available for public inspection at locations in Little Rock and North Little Rock. Please reference the legal ad posted on the department’s websites for additional information.

You are invited and encouraged to attend this hearing and offer your views concerning the project. Any publicity you might give this meeting is appreciated. If you have any questions, please contact:

Greetings:

The Arkansas Department of Transportation (ARDOT), in cooperation with the Federal Highway Administration (FHWA) and U.S. Army Corps of Engineers (USACE), will conduct an open forum Location and Design Public Hearing to present and discuss the Environmental Assessment (EA) and proposed design plans. This project proposes to improve Interstate 30 from Interstate 530 and Interstate 440 to Interstate 40; including the Arkansas River Bridge, and a portion of I-40 from Highway 365 (MacArthur Drive) to Highway 67/167 including associated interchanges.

The public hearing will present the proposed preferred alternative, the 6-Lane with Collector/Distributor (C/D) Lanes with Split Diamond Interchange (SDI) at the Highway 10 interchange.

The Location and Design Public Hearing will be held on Thursday, July 12, 2018, from 4:00 p.m. to 7:00 p.m., at the Wyndham Riverfront (Silver City Rooms), located at 2 Riverfront Place in North Little Rock. This will be an “open house” hearing with no formal presentations. The public is invited to visit anytime during the scheduled hours to view exhibits, ask questions, and offer comments.

Meeting information, the EA, and the proposed preliminary design are available on the ARDOT website (ARDOT.gov) and the 30 Crossing website (30Crossing.com). Printed versions of the EA are also available for public inspection at locations in Little Rock and North Little Rock. Please reference the legal ad posted on the department’s websites for additional information.

You are invited and encouraged to attend this hearing and offer your views concerning the project. Any publicity you might give this meeting is appreciated. If you have any questions, please contact:

SUBJECT: Notice of I-30 and I-40 Public Hearing in North Little Rock – Thursday, July 12, 2018
30 Crossing Project (ARDOT Job No. CA0602)
I-530 – Hwy.67 (Widening & Reconst.) (I-30 & I-40)
Pulaski County

Greetings:

The Arkansas Department of Transportation (ARDOT), in cooperation with the Federal Highway Administration (FHWA) and U.S. Army Corps of Engineers (USACE), will conduct an open forum Location and Design Public Hearing to present and discuss the Environmental Assessment (EA) and proposed design plans. This project proposes to improve Interstate 30 from Interstate 530 and Interstate 440 to Interstate 40; including the Arkansas River Bridge, and a portion of I-40 from Highway 365 (MacArthur Drive) to Highway 67/167 including associated interchanges.

The public hearing will present the proposed preferred alternative, the 6-Lane with Collector/Distributor (C/D) Lanes with Split Diamond Interchange (SDI) at the Highway 10 interchange.

The Location and Design Public Hearing will be held on Thursday, July 12, 2018, from 4:00 p.m. to 7:00 p.m., at the Wyndham Riverfront (Silver City Rooms), located at 2 Riverfront Place in North Little Rock. This will be an “open house” hearing with no formal presentations. The public is invited to visit anytime during the scheduled hours to view exhibits, ask questions, and offer comments.

Meeting information, the EA, and the proposed preliminary design are available on the ARDOT website (ARDOT.gov) and the 30 Crossing website (30Crossing.com). Printed versions of the EA are also available for public inspection at locations in Little Rock and North Little Rock. Please reference the legal ad posted on the department’s websites for additional information.

You are invited and encouraged to attend this hearing and offer your views concerning the project. Any publicity you might give this meeting is appreciated. If you have any questions, please contact:

SUBJECT: Notice of I-30 and I-40 Public Hearing in North Little Rock – Thursday, July 12, 2018
30 Crossing Project (ARDOT Job No. CA0602)
I-530 – Hwy. 67 (Widening & Reconst.) (I-30 & I-40)
Pulaski County

Greetings:

The Arkansas Department of Transportation (ARDOT), in cooperation with the Federal Highway Administration (FHWA) and U.S. Army Corps of Engineers (USACE), will conduct an open forum Location and Design Public Hearing to present and discuss the Environmental Assessment (EA) and proposed design plans. This project proposes to improve Interstate 30 from Interstate 530 and Interstate 440 to Interstate 40; including the Arkansas River Bridge, and a portion of I-40 from Highway 365 (MacArthur Drive) to Highway 67/167 including associated interchanges.

The public hearing will present the proposed preferred alternative, the 6-Lane with Collector/Distributor (C/D) Lanes with Split Diamond Interchange (SDI) at the Highway 10 interchange.

The Location and Design Public Hearing will be held on Thursday, July 12, 2018, from 4:00 p.m. to 7:00 p.m., at the Wyndham Riverfront (Silver City Rooms), located at 2 Riverfront Place in North Little Rock. This will be an “open house” hearing with no formal presentations. The public is invited to visit anytime during the scheduled hours to view exhibits, ask questions, and offer comments.

Meeting information, the EA, and the proposed preliminary design are available on the ARDOT website (ARDOT.gov) and the 30 Crossing website (30Crossing.com). Printed versions of the EA are also available for public inspection at locations in Little Rock and North Little Rock. Please reference the legal ad posted on the department’s websites for additional information.

You are invited and encouraged to attend this hearing and offer your views concerning the project. Any publicity you might give this meeting is appreciated. If you have any questions, please contact:

SUBJECT: Notice of I-30 and I-40 Public Hearing in North Little Rock – Thursday, July 12, 2018
30 Crossing Project (ARDOT Job No. CA0602)
I-530 – Hwy.67 (Widening & Reconst.) (I-30 & I-40)
Pulaski County

Greetings:

The Arkansas Department of Transportation (ARDOT), in cooperation with the Federal Highway Administration (FHWA) and U.S. Army Corps of Engineers (USACE), will conduct an open forum Location and Design Public Hearing to present and discuss the Environmental Assessment (EA) and proposed design plans. This project proposes to improve Interstate 30 from Interstate 530 and Interstate 440 to Interstate 40; including the Arkansas River Bridge, and a portion of I-40 from Highway 365 (MacArthur Drive) to Highway 67/167 including associated interchanges.

The public hearing will present the proposed preferred alternative, the 6-Lane with Collector/Distributor (C/D) Lanes with Split Diamond Interchange (SDI) at the Highway 10 interchange.

The Location and Design Public Hearing will be held on Thursday, July 12, 2018, from 4:00 p.m. to 7:00 p.m., at the Wyndham Riverfront (Silver City Rooms), located at 2 Riverfront Place in North Little Rock. This will be an “open house” hearing with no formal presentations. The public is invited to visit anytime during the scheduled hours to view exhibits, ask questions, and offer comments.

Meeting information, the EA, and the proposed preliminary design are available on the ARDOT website (ARDOT.gov) and the 30 Crossing website (30Crossing.com). Printed versions of the EA are also available for public inspection at locations in Little Rock and North Little Rock. Please reference the legal ad posted on the department’s websites for additional information.

You are invited and encouraged to attend this hearing and offer your views concerning the project. Any publicity you might give this meeting is appreciated. If you have any questions, please contact:

About Metroplan

Metroplan serves as the regional voice on issues affecting Central Arkansas, develops transportation plans required by federal law, and convenes stakeholders to deal with common environmental issues.

Metroplan also provides information and staff resources to our member governments and the public.

Metroplan is an association of local governments that has operated by inter-local agreement since 1955. Originally formed as the Metropolitan Area Planning Commission of Pulaski County, Metroplan now has members in Pulaski, Faulkner, Saline, Lonoke and Grant Counties. Metroplan is the designated Metropolitan Planning Organization (MPO) under Title 23 of the United States Code.

Metroplan Archives

Joan S. Vessels Memorial Library

The Digital Archival Storage of Metroplan's History will be referred to as the Joan S. Vessels Memorial Library.

Following her death in 1998, the Metroplan Board of Directors instilled the name on Metroplan's Library. Joan was a dedicated employee of Metroplan from 1960 until 1993.

Metroplan has digitally stored maps and documents for current and future use and research. Access to these documents is available through the link "[Metroplan Archives](#)" above. Clicking will redirect you to DocuWare, the program we have utilized to store our data.

- Maps – Area and jurisdiction map archives
- Planning – Studies and reports
- Organization – Minutes, Resolutions and other general reports

You will have the ability to read, print, or download as a PDF.

Search fields will narrow the scope of the research. A "fulltext" search will locate every instance of a specific word.
