AHTD TO HOLD “30 CROSSING” PUBLIC INVOLVEMENT MEETING

PULASKI COUNTY (4-13) – The Arkansas State Highway and Transportation Department (AHTD) will hold a public involvement meeting in North Little Rock to present and discuss proposed plans to widen Interstate 30 in Little Rock and North Little Rock between Interstate 40 and Interstate 530, including the Arkansas River Bridge, as well as improvements to I-40 from JFK Boulevard to U.S. Highway 67. The 30 Crossing project is part of the department’s [Connecting Arkansas Program](#) (CAP).

The meeting will be held **Tuesday, April 26, 2016, from 5:00 p.m. to 8:00 p.m.**, at the Wyndham Riverfront (Silver City Rooms) located at 2 Riverfront Place in North Little Rock. The meeting will begin with a presentation at 5:15 p.m. followed by an “open house” where the public is invited to view maps and exhibits, ask questions, and offer comments about the proposed project.

The public meeting will provide updates to the 30 Crossing project since the last public meeting was held in October 2015. These updates include:

- The continued refinement of both the 8-lane General Purpose and 6-Lane with Collector/Distributor (C/D) Lanes alternatives
- Traffic modeling of both alternatives
- Interchange options for access to downtown Little Rock
- The initiation of the environmental evaluation process for both corridor alternatives.

-more-

The 6-Lane with Collector/Distributor Lanes alternative (previously called the PEL Recommendation 10-Lane with Downtown C/D) has been renamed to better clarify the scope of the alternative and reduce misconception. This alternative has three through lanes in each direction with two additional lanes serving as decision lanes that feed into Collector/Distributor lanes across the River Bridge in the downtown area. Collector/Distributor lanes are separated from the mainlanes by a barrier. The 8-Lane alternative has four general purpose lanes in each direction.

After the presentation at 5:15 p.m., the meeting will continue in an open house format, and the public is invited to visit anytime during the scheduled hours to view displays, ask questions, and offer comments about the proposed project. For more information, contact the Arkansas State Highway and Transportation Department's Connecting Arkansas Program Manager at 501-255-1519 or info@ConnectingArkansasProgram.com.

Additional information on the project is available at www.30Crossing.com.

SUBJECT: Notice of I-30 and I-40 Public Meeting in North Little Rock – April 26, 2016
30 Crossing Project – AHTD Job No. CA0602
I-530-Hwy.67 (Widening & Reconst.) (I-30 & I-40)
Pulaski County

Greetings:

The Arkansas State Highway and Transportation Department will hold a public meeting in North Little Rock to discuss and present plans to widen Interstate 30 in Little Rock and North Little Rock between Interstate 40 and Interstate 530, including the Arkansas River Bridge, as well as improvements to I-40 from JFK Boulevard to Highway 67.

The public meeting will include updates since the last public meeting held on October 22, 2015. These updates include the continued refinement of both the 8-lane General Purpose and 6-Lane with Collector/Distributor Lanes (previously called the PEL Recommendation 10-Lane with Downtown C/D) alternatives, traffic modeling of both alternatives, interchange options for access to downtown Little Rock, and the initiation of the environmental evaluation process for both corridor alternatives.

The meeting will be held Tuesday, April 26, 2016, from 5:00 p.m. to 8:00 p.m., at the Wyndham Riverfront (Silver City Rooms) 2 Riverfront Place in North Little Rock. The meeting will begin with a presentation at 5:15 p.m. followed by an “open house.” The public is invited to view maps and exhibits, ask questions, and offer comments about the proposed project.

This information may be of interest to the members of your congregation, especially those who may be affected by this project, and your announcement will increase interest in highway development in general. Thank you for your consideration. If you have any questions, please contact info@ConnectingArkansasProgram.com or call 501-255-1519.

Sincerely,
