

PROJECT UPDATE

February 2024

CA0604

Main Street to Vandenberg Boulevard

Construction Overview

Started April 2023

Widening 2.5 miles of Hwy. 67 to 6 lanes (Main St. - Vandenberg Blvd.)

Overpasses and bridges
- James St. replacement
- Gregory St. new structure
- Vandenberg Blvd. replacement

Ramp alignment improvements

Frontage roads converted to one-way (Main St. - Vandenberg Blvd.)

Estimated completion late 2027

Highlights

A new section of **John Harden Drive** south of N. James Street has been constructed and opened to traffic. This new section will allow for work on the N. James Street Bridge to continue.

The foundation is being constructed on the new **N. James Street Bridge**.

Preparation for work on the **Vandenberg Boulevard Bridge** has started. Support structures are being built on the southbound side of the bridge for the new bridge.

Recent Work

- N. Bailey Boulevard paving operations
- N. James Street Bridge demolition
- Vandenberg Bridge work
- Curb and gutter work on John Harden Drive and TP White Drive
- Drainage ditch work
- Barrier wall work
- Median work
- Paving in various locations
- Sidewalk and driveway work on John Harden Drive and TP White Drive
- Removal and disposal of prior asphalt and concrete in various locations

Construction Progress

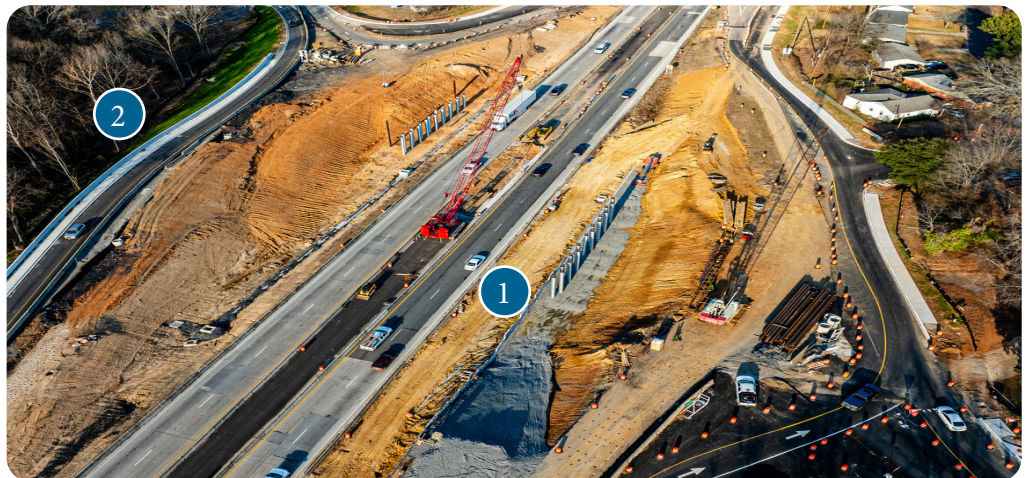

26%

Look Ahead*

- Highway 67/167 temporary widening
- John Harden Drive and Vandenberg Boulevard intersection will require a new traffic pattern and temporary signals
- John Harden Drive and 1st Street intersection work

*Preliminary schedule subject to change

1 N. James Street Bridge construction

2 The newly opened section of John Harden
